

The Arpeygrinch paused,
bills in his hand
while Cindy Loo Stew questioned his plans

**Why are you taking mommy's money from work,
and turning it into executive perks?**

But you know that Grinch
was so smart and so slick,
that he thought up a lie
and he thought it up quick
**I'm not taking her paycheck,
my sweet little lamb,
you'll be happy to know,
it's the "Turnaround Plan!"**
